École Quarterway Basket Raffle Fundraiser

October 8th, 2019

Dear Parents,

This year, the Quarterway PAC will be collecting themed items to build baskets for our Craft Fair Saturday, Nov. 30th.

This is a wonderfully successful fundraising event that we did at last year's Craft Fair and visitors just RAVED about the baskets!

There will be six basket themes divided amongst the divisions. If families want to connect and donate an item together, that works as well. (Some suggestions are listed below). If you have any questions, please email: quarterwayschoolpac@gmail.com

Between October 14th and November 1st, we will be placing bins in your child's division for the collection of items for each basket.

Here is the list of baskets for each division:
