Techweavers Inc. does not assume any responsibility for loss of data or that your website will work in every environment. Bandwidth is charged at our usual rate of $5.00 per 1000MB or part thereof that is over and above the allotted amount of 3000MB per month. Invoices are due upon receipt. Services that are unpaid fifteen days following receipt will be suspended. We require an initial twelve-month commitment. This commitment evolves into a month-to-month agreement after the initial term. Cancellation is available with 30 days notice after the initial commitment. Thank you for this opportunity to be of service.
